\$500 REWARD
 Is offered by the manufacturer of Dr. Sage's Catarrh Remedy, for a case of Catarrh in the head which their cannot cure.
SYMPTOMS OF CATARRH.—Dull, heavy headache, obstruction of the nasal passages, discharge falling from the head into the throat, sometimes profuse, watery, and acid; at others, thick, tenacious, mucous, purulent, bloody and putrid; the eyes are weak and watery; there is a ringing in the ears, deafness, hoarseness or coughing to clear the throat, expectoration of offensive matter, together with scabs from ulcers; the voice is changed and has a "nasal twang"; the breath is offensive; smell and taste are impaired; there is a sensation of dizziness, with mental depression, a hacking cough and general debility. Only a few of the above-mentioned symptoms are likely to be present in any one case. Thousands of cases annually, without mention of half of the above symptoms, result in consumption and end in the grave. A disease so common, more developable and dangerous, or less understood by physicians.
 By its mild, soothing and healing properties, Dr. Sage's Catarrh Remedy cures the worst cases of Catarrh, "Colds in the Head," Sore Throat, Catarrhal Rhinitis, etc.
 Sold in all druggists every where; 50 cents.
 "Entirely Absent from Catarrh."
 Prof. W. H. Wagner, the famous oculist, of New York, N. Y., writes: "I have cured many cases of Catarrh, and my family has been cured of the same. I have used your Catarrh Remedy, and I can say that it is the only sure remedy for Catarrh now manufactured, and one has only to give it a fair trial to experience astounding results and a permanent cure."
 A complete Treatise on Catarrh, of great value, is published by the manufacturer, and contains all the latest information on the subject. Address: World's Dispensary Medical Association, No. 603 Main Street, BUFFALO, N. Y.
